Javascript practice game
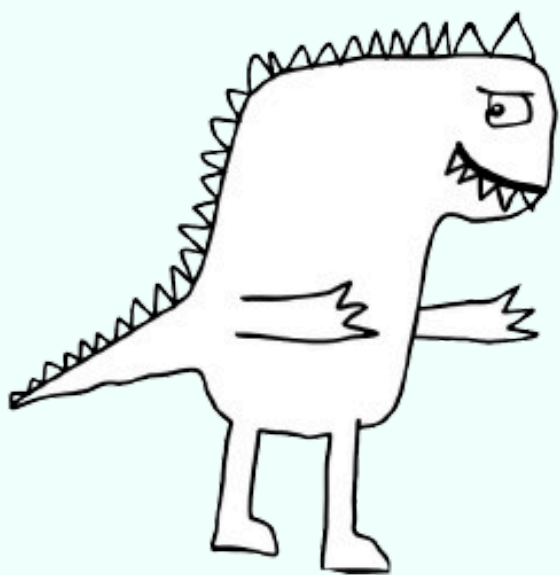

A simple game to practice basic functions of javascript

User Stories

A simple game to practice basic functions of javascript through a sketchy looking character 'Dinosaur' named: dinoScript!
consist of 6 levels
the main interface of the page starts with a welcome message from the dinosCript. character
and 2 options buttons of Javascript tutorial , Test my Knowledge!

Hi I am dinosCript.!

Mind my bombastic eye!
 am not sketchy!
I was born like this!
& I teach JavaScript!

Tustorial   **Test my knowledge**
